

Greetings,

Last year the Church as a whole as well as both the Men's and Women's groups were both generous enough to help sponsor or Mundy's Run. Mundy's Run is a 5k Walk/Run. The monies raised from this event are used to send our Athletes to State Games and to buy uniforms and equipment for our athletes. Our Athletes greatly appreciate your support.

Special Olympics is an organization that provides opportunities for individuals to compete in sports who would not qualify for traditional teams. Same sports but with a few adjustments that allows them to have fair competitions where they can succeed just like their traditional friends who are athletes.

Thank You
