- The United Women in Faith focus on community and global missions supported by a variety of fundraising efforts. In order to assist with those fundraising efforts, we have established a Facebook Group page titled "Spruce Street Women in Faith Fundraising". This is a private group which means that you must be a member of the group to see the posts or to comment in the group. Anyone can find and join the group and we welcome you to join and to invite your friends who would support our fundraising efforts.

Part of the Facebook group will be an ongoing fundraiser through Park Lane Jewelry with the commission earned by sales through the Facebook group being donated in whole to Spruce Street Women in Faith to use at their discretion to support missions. Additional fundraising activities supported by the group will also be promoted on the Facebook page. Link to the Facebook group page:
